Explanation

Our focus for this school year was to help our schools get their gardens up and running, introduce our Girls' Club to more of our partner schools, distribute menstrual hygiene cups to students in need, and welcome students and community members to our Permaculture Center to participate in our exciting new programs. We are excited to introduce our newest program at our Permaculture Center, A Spring of Hope's After School Meal Program. Started in March, we welcomed a hundred children in the surrounding Acornhoek community to come to the center after school to receive an additional meal. Many of these children are orphans and live with extended families or live on their own, taking care of their younger siblings. These children rely on the meals they receive at school and for many, it will be the only other meal they will have that day. Hiring two women from Acornhoek, we have meals prepared at the center Monday through Friday. These meals will vary throughout the week and will meet the nutritional needs of the young children. Due to COVID19 restrictions, we were not able to host a Permaculture Workshop last year. On February 17th, we had our first quarterly Permaculture Workshop of 2022. Beretta Primary's Girls' Club has been meeting weekly after school at Beretta and once a month they meet at our Permaculture Centre for a special meeting and a hot meal. The girls are enjoying the club and are displaying greater confidence in and out of school.
